Sujal Ghimire Portfolio.

I am Sujal Ghimire, a passionate and dedicated Graphic Designer with a creative vision and a keen eye for detail. This portfolio showcases a selection of my works, highlighting my skills in Photoshop, Illustrator, InDesign, and even a touch of Canva.

Each project included reflects my design journey, from concept to creation, with thoughtful descriptions detailing the process, techniques, and outcomes. My work spans a variety of styles and applications, demonstrating versatility, innovation, and a commitment to impactful visual storytelling.

Thank you for taking the time to explore my portfolio! I hope it offers a clear glimpse into my creative capabilities and inspires confidence in my work.

Here are some of my works:

Menu Design
A **menu design** for an Italian restaurant named *Dragon's Den Cibo Italiano*. Created using **Photoshop**, this design focuses on professional aesthetics by creatively combining images, typography, and geometric shapes to deliver a visually appealing and functional restaurant menu.
(This is a fictional/conceptual design and not used for professional purposes.)
